

Col. Roy Stryker, GHQ

It is suggested that agent Rothstein be commanded to shoot on site any or all of the following:

Arkansas - - Lakeview, ~~Arkansas~~ and Arkansas Tenant Security

Texas - - Sabine Farms and Texas Tenant Security

Tennessee - - Tennessee Tenant Security

Mississippi - - Mississippi Tenant Security

Louisiana - - La. Tenant Security

Yrs respect.

Private brown

P.S. Lakeview and Sabine Farms are Negro projects, the others have roughly 1/3

Negro clients. It would be helpful too, if when Arthur had a regional information

advisor with him, he asked the info man to write up the past and present history

of 3 or 4 Negro families that Arthur shot. We could place a couple of pictures

and <sup>a</sup> two hundred word story ~~with~~ of any of these Negro families <sup>in</sup> ~~with~~ from 50 to 100

Negro papers. - - phil
